

ACTIVE, FUN CAMPUS EXPERIENCE

WMU welcomes students from **over 100 countries**.

Low cost activities in your residence hall, throughout campus and in the community.

On-campus housing in residence halls with **U.S. students**.

Access to WMU Recreation Center for exercise and sports.

"The best part about WMU is definitely the campus and all the activities around it. I lived on campus which was the perfect opportunity to walk to classes each day and it also meant I was close to everything important - the incredible recreation center, club meetings, the dining hall and of course football and hockey games. There is so much to do that you never get bored."

COMMITTED TO STUDENT SUCCESS

Western Michigan University is home to over 256 degree programs, meaning that we offer thousands of courses each semester for our students to choose from!

In selecting courses, you can:

CHOOSE A POPULAR TRACK.

Global Studies

Take courses with a global focus that introduce students to a broader perspective on culture, history, business and more.

Sample courses include:

- Introduction to Global Business
- World Ecological Problems and Man
- Religions of the World

Leadership, Politics and Society

Take courses from the social sciences that overlap in discussions of leadership, politics and society. Sample courses include:

- Comparative Politics
- Immigration, Race & Ethnicity in the U.S.
- Introduction to Gender and Women's Studies

American Studies

Take courses that explore the U.S. American cultural, historical, and economic experience. Sample courses include:

- Introduction to African American Studies
- Life and Culture of the U.S.
- Rock Music: Genesis and Development

OR

BUILD YOUR OWN: select from the thousands of courses in the WMU course catalog each semester. You can mix and match courses from different degree fields.

All students receive a *Certificate of Completion* of the Western Michigan University Exchange Program.
