January 2 , 2019

Dear Esteemed Partner,

Firstly, on behalf of Prince of Songkla University (PSU), I would like to convey our respectful greetings and our most sincere thanks for the good cooperation with our university.

Through this letter, we would like to cordially invite students from your respected institution to participate in the **PSU Authentic Thai Camp 2019**, to take place from **August 18-31, 2019** at our Hat Yai Campus. This two-week summer program will bring together students from many universities to enrich them with an in-depth knowledge of Thailand's culture, cuisine, traditional medicine, sufficiency economy, way of life, etc. During the program, participants will experience the amazing "Land of Smiles," via enjoyable field trips to famous tourist attractions in the south of Thailand, such as Krabi province.

As your institution is one of the esteemed partners of PSU, we are pleased to inform you that we **provide big discounts** from 10-25% to you nominated participants, as the deducted rates enclosed herewith. These reduced fees can apply to the **Early Bird Rate**, if payment is completed before 30th April 2019.

For your information, the tuition fee also covers accommodation, local transportation for the field trips and excursions, museums tickets, as well as breakfast and lunch. Participating students will be responsible for their own travel expenses, international health & accident insurance, dinners, and other personal expenses.

Please be informed that the **number of seats is limited** and the participating students will be accepted on the basis of "**first-come, first-served.**" Therefore, kindly send us the nominations from your university as soon as possible, in order to ensure seats for your students.

Please find enclosed herewith the Tentative Calendar, Discounted Rates for PSU Partner Universities, Program's Details, as well as the Application Form. We truly believe that your students' participation in the **PSU Authentic Thai Camp 2019** can also strengthen the friendship and collaboration between our universities. We look forward to receiving your nominations.

Sincerely yours,

Asst. Prof. Thakerng Wongsirichot
Vice President for International Affairs Office
