FALL ASSESSMENT APPROVAL FORM

Study Abroad/Exchange students

Some academic Schools at The University of Manchester are able to offer assessment before the Christmas vacation for those students whose home institution's Spring semester begins in early-mid January.*

If you are required to be back at your institution before the official end of the Manchester semester 1 (check here for semester dates: http://www.manchester.ac.uk/aboutus/dates/), and you wish to be considered for early assessment where this is offered, please complete this form to confirm that your institution requires you to return before the end of the Manchester examination period. Both the applicant and their home adviser should sign this form.

PLEASE NOTE: This option is ONLY available to students studying at Manchester for the Fall/Autumn semester only. It is also ONLY available to those students who MUST return to their home institution because the start of Spring semester there is earlier than the end of the Manchester Fall semester. Alternative assessment should not be requested for any reason other than a clash of semester dates, as students are expected to remain at Manchester until the end of semester in all other cases.

*For an overview of disciplines currently offering early assessment, please visit
