

AY2020/21 Term 2 Course List

Important Notes:

- (1) The list of courses below is offered in AY20/21 Term 2 for the virtual exchange students.
- (2) You may refer [here](#) for the course descriptions.
- (3) Students are expected to have met the stated prerequisites when they register for the SMU courses (refer to online class search at <https://inet.smu.edu.sg/sites/courses/>). Prerequisites may be checked by the schools/instructors at their discretion, and students will not be allowed to continue with the course if they are found not to have met the prerequisites. If in doubt about their satisfying the prerequisites, students should check with the schools at the outset before registering for the courses.
- (4) Due to course capacity constraints, we seek your understanding that we may only be able to accept student nominations on a first-come-first-served basis
