CAMPUS EXPERIENCE

wmich.edu/about

265+ degree programs to choose from	Total student population 23,000+	International student population 1,800+
--	---	---

WMU welcomes students from **over 100 countries**.

On-campus housing in residence halls **with U.S. students**.

Low cost activities in residence hall, throughout campus and in the community.

Exchange students have access to University resources such as the library, student center and recreation facility!

"The best part about WMU is definitely the campus and all the activities around it. I lived on campus which was the perfect opportunity to walk to classes each day and it also meant I was close to everything important – the incredible recreation center, club meetings, the dining hall and of course football and hockey games. There is so much to do that you never get bored."
