

四川大學
SICHUAN UNIVERSITY

Sichuan University “The Belt and Road” Scholarship

Sichuan University is a high level research-oriented institution with a national priority in Western China's development. It is directly subordinated by the administration of the Ministry of Education. We are and have always been committed to providing a stellar education and excels in the field of bringing strong rapport between faculty members and our students along with upgrading the quality of our teaching curriculum.

The Sichuan University “The Belt and Road” scholarship is available to students from countries along to the “The Belt and Road” region , as well as students from countries along the 21st Century Maritime Silk Road.

The purpose of this scholarship is to provide international students the opportunity to experience China's flourishing culture while obtaining or making progress on their degree, with a goal to promote cooperation, inclusiveness and mutual understanding between China and other countries.
