

Enjoy Colombia 2019. Join the Escuela!

The *Escuela Colombiana de Ingeniería Julio Garavito* opens its doors for foreign students to live the best academic experience in Colombia. We would like to invite students to apply for the second semester of 2019, which will take place from August to December 2019.

Application deadline: April 19, 2019

We offer students several academic and mobility programs. Please consult our [Mobility Guide](#) (attached to this email) to find the program that best fits your study plan and also review more detailed information about the campus. When you are ready to begin the application process, please complete the [application form](#).

Documents required for application:

- [Escuela application form](#)
- CV
- Motivation Letter
- Official grade transcript
- Spanish certificate (if the language of instruction at home institution is not Spanish.)
