XII. Korean Language Program

□ Program Introduction

The Korean Language Program at the Division of Language Education of Kangwon National University targets the foreigners who wish to study Korean systematically. In particular, it offers the best learning environment for the students who aim to enter into the undergraduate or graduate school in Korea. The program is structured to naturally familiarize the foreign students with Korean culture in addition to the Korean language study by providing various opportunities to experience culture. Consisting of 5 levels, the Korean Language Program is open in spring, summer, fall and winter. The level test is conducted for the first-year students to study at the appropriate level.

□ Qualification

A high school or higher level education graduate, or the one with an equivalent education level.
