Universiti Utara Malaysia

The Eminent Management University

We
are
global

Universiti Utara Malaysia

welcome

Aspiring to be an eminent management university, we offer a broad spectrum of academic programs geared towards providing an up-to-date knowledge and skills in management-related areas. We are devoted to providing you with an excellent teaching and learning experience to help you develop your leadership qualities, as well as business and management acumen. You are welcome to explore your career choices at Universiti Utara Malaysia (UUM).

Located at the Northern part of Peninsular Malaysia we offer you a unique and beautiful learning environment, with lots of activities for you to explore. Dedicated to excellence in scholarship, research, publication, and service to society, UUM acts as a catalyst for socio-economic and intellectual development in this region. Hence, you have the opportunity to get involved in various community-based projects that are established through community-university partnerships.
