2023 SPRING TOYO UNIVERSITY

# BUSINESS JAPANESE ADVANCED COURSE

Focusing on the language ability areas of each situation,  
aiming to acquire a higher level of business Japanese proficiency

## COURSE FEATURES

We offer an Advanced Business Japanese course intending to acquire a higher level of business Japanese language proficiency. Each lecture is designed for those who have Japanese proficiency of N1 (JLPT) or J2 (BJT) or higher and focuses on each specific area of language proficiency (writing, vocabulary and expressions, BJT J1, and J1+ exercises). The lecture will be conducted in a way that ensures interactive interaction between the lecturer and participants. You may be asked to answer questions and participate in activities during the lecture, so please prepare a headset and microphone from a stable internet connection environment. Through this course, we aim to help you concentrate on strengthening the language skills necessary for you and acquire a higher level of business Japanese.

PERIOD	February 22 - February 24, 2023
FORMAT	Online, organized over Webex
TARGET	International students or employees who have passed N1 (JLPT) or J2 (BJT) or above.

# LECTURERS

Ryuta USHIKUBO

Toyo University Center for  
Global Education and Exchange  
(Associate Professor)

Prof. Ushikubo graduated from Dokkyo University. He learned Japanese language education in the doctoral program at Waseda University and got a PhD (Japanese Language Education). He worked as a deputy chief instructor at an overseas educational institution (Waseda Education Thailand). After returning to Japan, he kept pursuing a career in language education, working as a research assistant at Waseda University and a lecturer at the Kansai Gakuin University. He is currently teaching Japanese at the Center for Global Education and Exchange, Toyo University. His specialty is qualitative data analysis, teacher research, and classroom research.

Xiuyin CHEN

Toyo University Center for  
Global Education and Exchange  
(Lecturer)

Graduate of the Japanese Language Program at the College of Foreign Languages of the Ocean University of China. Completed the doctoral program at the Graduate School of Humanities, Kobe University. Assistant at the University of Hamburg (Germany) and Kobe University. Part-time and full-time Lecturer at Kobe Design University and Japan University of Economics. Currently a Lecturer at Toyo University. Doctor Chen's research covers modern Japanese grammar, Japanese language education, Japanese linguistics, as well as corpus linguistics. Takes special interest in sentence-final markers and Chinese-related lexicon in modern Japanese. Building on her theoretical knowledge of Japanese grammar and vocabulary, as well as her own learning experience, the lecturer will offer hints how to improve your Japanese skills.

Yusuke TANAKA

Aoyama Gakuin University  
(Associate Professor)

Graduated from the Japanese Language and Culture Course at the University of Tsukuba. Completed the doctoral program at Waseda University Graduate School and holds a Ph.D in Japanese Language Education. After working as a JSPS Research Fellowship for Young Scientists, a lecturer at Fudan University in China, an assistant at Waseda University, a lecturer and an associate professor at Toyo University, his current position is Associate Professor of Aoyama Gakuin University. His research topics include teaching Japanese to foreign students and non-native minors, analysis of Japanese teaching materials, language policy, history of Japanese language education, Business Japanese, introducing Japanese culture abroad, etc. Doctor Tanaka is the winner of numerous awards, including the 32nd Masayoshi Ohira Memorial Prize, the Prize for 2018 if the Society for Teaching Japanese as a Second Language, Waseda University Teaching Award (President's Award) in 2017, the University of Tokyo Good Practice for Teaching Online President's Award in 2020, and the 1st SDGs Iwasa Prize for 2022, etc.

Kiyomi NAGASAKI

NPO Research Institute for  
Japanese Language Education  
(Director • Researcher)

Part-time lecturer at Komazawa University and Tokyo Institute of Technology. After working for a steel manufacturer, she started teaching Japanese in 1992. After teaching at local Japanese language classes and schools (Japanese language school, vocational school, and university), she was posted to Kenya as a Japan Overseas Cooperation Volunteer (JOCV) and experienced working in a cross-cultural environment. After returning to Japan, she has been involved in work related to the Japanese language and foreigners, such as Japanese language teacher training courses and teaching material development. Currently, she focuses on coordinating Japanese language training for business people at companies, supporting foreign students in their job hunting activities, and training business Japanese language teachers.

# COURSE OUTLINE

## READING SKILLS FOR BUSINESS DOCUMENTS

LECTURES ON	No.	TIME(JST)	CATEGORY	LECTURES	LECTURERS	INSTITUTION
2月22日(水)	01	13:00~14:30	THEORY	Reading Skills for Business Documents	Kiyomi NAGASAKI	NPO Research Institute for Japanese Language Education (Director・Researcher)
OUTLINE				<p>Nowadays, work interactions are mainly conducted via e-mail, and there are more and more situations in which we need to communicate through the written word, such as in various documents and reports. How is understanding a business email or document different from understanding academic writing? In this lecture, we will consider how to understand information while checking documents used in business situations.</p>		

LECTURES ON	No.	TIME(JST)	CATEGORY	LECTURES	LECTURERS	INSTITUTION
2月22日(水)	02	14:50~16:20	PRACTICE	A practical Exercise in Japanese Business Writing for Highly Advanced Learners	Ryuta USHIKUBO	Toyo University Center for Global Education and Exchange (Associate Professor)
OUTLINE				<p>"Writing" is considered the slowest to acquire among the 4 language skills, and it is a field that requires conscious learning. In this lecture, you will deepen your understanding of writing activities used in actual business situation through practice exercises and commentaries. You will be asked to actually write sentences, so please prepare a notebook, computer or other writing tools in advance.</p>
