Please note

Open the PDF forms with Adobe Acrobat Reader to fill in, save and print them.

If you have problems filling in and saving the PDF form, you can proceed as follows:

- Fill out the entire form at once WITHOUT saving it and print the completed form on paper. Sign the form and attach it to your application documents.

or

- DO NOT open the form "Application Form 2025-2026" with Adobe Acrobat, but with your browser (e.g. Edge or another browser). Complete the form and save it before printing it out.
