About ISRSF

The Indonesian Scholarship and Research Support Foundation (ISRSF), or Yayasan Beasiswa dan Dukungan Penelitian Indonesian, is an organization created in 2012 by Indonesian and American scholars to promote social science research in Indonesia by Indonesians. The Foundation is an independent non-profit, and non-partisan philanthropic organization that channels financial support from a diverse group Indonesian and international donors.

About Arryman Scholarship

As part of our commitment to support Indonesian social scientists, we have established a new scholarship for Indonesian economists at SOAS University of London. Recipients of SOAS Arryman Scholarships will receive support for studies leading to a doctoral degree in economics, development economics or international development.

What We Offer

- Full Tuition
- Housing and Living Allowances
- Return Air Travel, Jakarta – London – Jakarta
- Health Insurance

Scholarship Conditions

- Selected candidates be officially admitted by the Economics Department of SOAS London University.
- Selected candidates sign an agreement with ISRSF stipulating scholarship conditions.

Who can apply?

- Indonesian citizens
- Having a strong commitment to return to Indonesia as a full time scholar upon completion of the PhD degree.
- Having a minimum GPA of 3.0 (4.0 scale).
- Hold a BA degree (Strata 1).
- Having a minimum IELTS Academic / for UKVI / Indicator Score 5.0 (5.0 in all sub-score), or PTE Academic 50 (50 in all sub-score), or TOEFL iBT ('My Best Scores' not accepted) 87 (20 in all sub-score).

- 35 years of age maximum

Application Form Instructions

Important Note: You must complete the application form in a single session. There is no login or "save" function. You can click and view the form at any time. But if you start to fill in the form but do not finish by hitting SUBMIT, you will have to start again.

Your application is complete and final **only** when you click the SUBMIT button at the end of the form. Do this **only once** after you have verified that your application is complete. Fill in all areas for which you have materials or information. Required information is marked by an (*) sign. You cannot SUBMIT if these areas are empty.

If you need to contact ISRSF regarding your application, you may do so by email at: **info@isrsf.org**

For this application, we need two kinds of information from you:

  I. Data you enter manually,
  II. Documents that you will upload.

The checklist below includes all the information you will need to get in advance before you start the application form. It also includes a list of documents you must have ready to upload. These must be prepared, scanned, or written in advance.

Start the application form only after you have all the information ready on the checklist.

I.Data or information you will need to fill in:

1. Passport number and expiration date (OK if you don't have one yet)

2. NIK Number

3. Email address of your current supervisor or employer

4. GPA for all degrees you have earned

5. Titles of any theses you wrote for your degrees

6. English language scores and test dates (IELTS, TOEFL iBT, or PTE)

7. Full citations for any academic publications, professional publications, research reports, or working papers you have written or co-authored (with links if available)

8. The names, titles, institutions, and email addresses of two recommenders

II. Documents you must have ready to upload:

1. Curriculum Vitae [pdf or Word]

2. KTP [pdf or jpg]

3. Passport - name and photo page only [pdf or jpg]

4. University transcript for each degree (not the diploma) [pdf or jpg]

5. English exam score certificates [pdf or jpg]

6. Essay 1: Statement of Purpose [pdf or Word]

7. Essay 2: Research Statement [pdf or Word]

8. Essay 3: Intellectual Influences [pdf or Word]

9. Analytical Writing Sample [pdf or Word]
