

2025 FUTURE RESEARCH TALENT (FRT) PROGRAM

INDONESIA

Travel to The Australian National University (ANU) in Canberra, Australia in 2025 to complete a collaborative research project

- > June – September 2025
- > A\$ 8,500 grant
- > Selected institutions in Indonesia
- > Applications open: 19 December 2024
- > Applications close: 22 January 2025

The 2025 FRT program will provide selected Indonesian staff / students with an opportunity to travel to ANU to pursue collaborative research, for a period of 10-12 weeks, in a range of Science, Technology, Engineering, Mathematics, and Medicine disciplines.

FRT is a competitive and prestigious program attracting scholars from top-tier Indonesian

institutions. The program offers a valuable opportunity for Indonesia's emerging research talent to form international connections and develop research skills at one of the world's leading universities*.

Research areas:

- Astronomy & Astrophysics
- Biology
- Chemistry
- Cybernetics
- Earth Sciences
- Epidemiology & Population Health
- Mathematics
- Medical Research
- Physics and Engineering
