

How to Prepare the Application Documents for Gifu University Exchange Programs

Please download the application forms from the following website:

https://www.glocal.gifu-u.ac.jp/en/studyabroad/admission/post_12/index.html

1) (Form A-1) Application Form for Special Auditor or (Form A-2) Application Form for Special Research Student

Fill out Form A-1 if you are applying as a Special Auditor or Form A-2 if you are applying as a Special Research Student. Select the period of study/research: one semester (six months) or two semesters (one year). You are required to continue your study/research at your home institution after completion of the exchange program. Ensure the accuracy of “Dates Attended” with “Year of Entrance and Completion” in the Educational Background section.

2) (Form B) Certificate of Eligibility (Student) Application Form

The information you provide in Form B will be used to apply for your Certificate of Eligibility (CoE) to the Immigration Services Agency of Japan. You will need the CoE to obtain a Student visa at the Japanese embassy/consulate in your home country. In Form B, write your full name exactly as it appears in your passport. Ensure the consistency of “Total Period of Education” in Form B with the Educational Background section in Form A.

3) (Form C) Statement of Financial Support

Please describe your financial resources in this form. Privately financed students are required to show that they have sufficient financial resources (more than 50,000 yen per month to stay in Japan). Failure to provide the proof of your financial resources may result in rejection of your entry to Japan by the Immigration Services Agency. Please also note that Gifu University **does not allow** exchange students to work part-time off-campus during the exchange period.

4) Deposit Balance Certificate or Scholarship Certificate (English or Japanese)

These documents will serve as proof of your financial status to study at Gifu University stated in the Form C. Please enclose a Deposit Balance Certificate (in English or Japanese) for your bank account or your guarantor’s bank account. If you have a scholarship that covers your expenses in Japan, enclose the certificate of the scholarship (in English or Japanese).

5) Academic Proposal

(Form D-1) Study Proposal for Special Auditor

(Form D-2) Research Proposal for Special Research Student

Fill out Form D-1 if you are applying for this program as a Special Auditor or Form D-2 if you are applying as a Special Research Student. Describe your plan of study/research at Gifu University in Japanese (approx. 1,600 characters) or English (approx. 500 words). If you decide to write it in Japanese, it will help us assess your Japanese proficiency. If you identify your second choice of a faculty/graduate school/center, make sure to write your plan of study/research for both your first and second choices in Form D-1/D-2. To ensure legibility, handwritten plan of study/research is not acceptable. (note: “Past Scholarly Achievements” and “Letter of Recommendation by Academic Advisor” in Form D-1 are required only if you are applying for the graduate school.)

6) (Form E) Letter of Reference Prepared by Japanese Language Instructor

Form E should be filled out and signed by your current Japanese language instructor. If you have passed the N2 level on the Japanese-Language Proficiency Test, please also provide a copy of the certificate.

7) Certificate of Enrollment from Home University

8) Certified Academic Transcript from Home University

The above 7) and 8) should be issued by your home institution. If the transcript is not issued in English or Japanese, please attach the translation in English or Japanese as a supplement.

9) Face Photo

A photo for the application should meet the following requirements:

1. Size: 3 cm (1.19”) width × 4 cm (1.58”) height
2. Only the applicant is on the photo.
