Outbound

## PSU Hybrid Student Mobility Program

"Exploring World: Culture, Life, Business and Sustainability Insights for New Generation"

### Program Timeline

21 July-2 Nov 2025

### Program Benefits

- ✓ Expands access to student mobility opportunities
- ✓ Accommodates diverse student schedules and financial needs
- ✓ Promotes internationalization through flexible academic formats (online, onsite, hybrid)
- ✓ Strengthening partnerships with global institutions
- ✓ Tailored for PSU students going abroad
- ✓ Build cross-cultural competencies for new generations
- ✓ Optional credit transfer available for students

### Collaboration Procedure

- ✓ Schedule a meeting to explore partnership opportunities
- ✓ PSU will provide an agreement covering guest lectures and student exchange, based on mutual agreement
- ✓ Partner university issues acceptance letters for participating students
- ✓ Implement the program as agreed
- ✓ Submit a final report summarizing outcomes.

# Mode of Instruction: Hybrid format

- ✓ 13 weeks of self-study online learning **“Exploring World: Culture Life Business and Sustainability Insights for New Generation”** via PSU LMS platform <https://lms2.psu.ac.th/>
- ✓ Two (2) weeks of onsite abroad at partner universities

## Guest lecture

- ✓ Invited guest lectures from overseas partner universities are most welcome to teach the online module for PSU students
- ✓ **Remuneration for guest lecturers (negotiable based on qualifications and experience)**

## Participants

### Eligibility:

- ✓ PSU undergraduate and graduate students

### Tuition Fee:

- ✓ **500 Baht per participant (per unit enrollment)**  
Excludes travel, accommodation, and other personal expenses
